At the Evangeline Parish Sheriff's Office, the safety and well-being of our employees and the public is always our priority, and we recognize the important role we play in providing protection during this critical time. We are actively monitoring the COVID-19/Coronavirus situation and taking steps to help keep our communities safe. We want to thank you and say we are very proud of our residents for following the guidance of Center for Disease Control for social distancing and playing your part in keeping our parish safe.

As our employees interact with the public we have taken steps to limit exposure to the virus. We understand our role is stay connected with our residents as it is incredibly important in times like these. We are taking every precaution to ensure the safety and health of our communities, but we need your help. Please stay home, go to the store once a week, and no gatherings even with family. Thank you for your support.

Sincerely,

Sheriff, Eddie Soileau
